

Core6 Environmental is an energetic and exciting consulting firm that provides a range of environmental services to industry, government, and First Nations. We are known in the environmental consulting industry for our commitment to high-quality environmental science that withstands regulatory and peer-review; for finding clear solutions to complex problems; and for our dedication to working collaboratively with our clients to achieve successful project outcomes.

We are currently looking for a full-time **Intermediate Environmental Scientist or Engineer** with experience performing contaminated sites investigations to join our team in the Vancouver/Lower Mainland region of British Columbia. The position is suited for individuals with 3 to 7 of years contaminated sites experience. Under the guidance and mentorship of our more senior staff, you will be expected to provide support on projects with clearly define objectives and tasks.

Qualifications and Requirements

- 3 to 7 years of contaminated sites consulting experience in BC;
- Geology, Geological Engineering or Earth Sciences degree;
- Hydrogeology Education would be an asset;
- EGBC registration;
- Experience with BC provincial and Canadian federal acts, regulations, guidance, and protocols;
- Valid Class 5 driving licence with access to a vehicle;
- Strong scientific report writing skills;
- Willing to travel and when necessary work overtime to meet project schedules;
- Excellent communication and collaboration skills;
- Willingness to mentor and be mentored;
- Strong time management skills; and
- Creative-thinker and confident sharing ideas for continuous improvement.

We offer a competitive compensation package commensurate with experience and credentials, including salary, paid vacation time, medical and dental benefits, flexible work hours, professional development opportunities, health and safety training, and the opportunity to work directly with some of the industry's most senior and accomplished technical experts and project managers. Core6 Environmental is an equal opportunity employer and encourages all qualified candidates to submit resumés and letters of introduction, for consideration.

Resumés and Letters of Introduction may be forwarded to hr@core6.ca. Please include the opportunity title in your email subject line.
