

Driven to be a trusted partner for environmental solutions and to deliver practical solutions to complex environmental challenges, **Core6 Environmental** is seeking a talented **Geoscientist or Engineer** to join our team in **Vancouver, BC**.

We are currently looking for a full-time **Intermediate Environmental Geoscientist or Engineer** with experience performing contaminated sites investigations to join our team in the Vancouver. The position is suited for individuals with greater than 3 years of contaminated sites experience in a consulting environment. Under the guidance and mentorship of our more senior staff, you will be expected to provide support on projects with clearly defined objectives and tasks.

Qualifications

- Engineering, Geological Engineering, Geology, or Earth Sciences degree.
- Current or eligible for EGBC or BCIA designation (EIT, GIT, AAg, PEng, PGeo, PAg).
- 3+ years of field experience in Contaminated Sites Assessment, and Environmental Construction Monitoring.
- Experience with BC provincial and Canadian federal acts, regulations, guidance, and protocols.
- Valid Class 5 driving licence with access to a vehicle.

What you Bring

- Curiosity to learn and gain technical knowledge from your peers and mentors and confident with sharing information and expertise.
- Strong scientific report writing skills.
- Willing to travel and when necessary work overtime to meet project schedules.
- Excellent communication and collaboration skills.
- Strong time management skills.

Why Core6?

- **Impactful Work:** Contribute to meaningful projects that directly impact British Columbia's environment.
- **Collaborative Culture:** Join a team that values collaboration and professional growth.
- **Expert Mentorship:** Learn from and work alongside some of the industry's most experienced professionals.
- **Competitive Compensation:** Receive a comprehensive package including competitive salary with overtime pay or banked time, vacation, medical/dental benefits, RRSP-matching, cell phone allowance, and flexible work hours.
- **Professional Development:** Access ongoing training and development opportunities.
- **Valued Input:** Your voice matters – regardless of your position in the company, you have the ability to shape the future. We are continually evolving and growing the company, incorporating ideas, suggestions and innovative approaches from our employees, partners and clients.

Salary Range

The expected base salary range for the qualifications listed above is \$70,000-\$100,000 per year. This salary range may be adjusted for additional qualifications, experience and desirable assets.

Core6 defines diversity as including culture, race, religion, age, sexual orientation, gender, disability, socioeconomic background and lived experiences. We strive to have our staff reflect the diversity of the communities in which we work. Core6 Environmental is an equal opportunity employer and encourages all qualified candidates to submit resumés and letters of introduction for consideration.

To Apply

Resumes and Letters of Introduction may be forwarded to hr@core6.ca. Please include the opportunity title (HR-052) in your email subject line.
