Core6 Environmental is currently looking for a full-time, permanent **Early Career Engineer-in-Training, Scientist or Technologist** to join our team. We are an energetic and exciting consulting firm that provides a range of environmental services. We are known for the quality of our work, strong technical skills and regulatory knowledge.

We are currently looking for a full-time **EIT/GIT/Scientist/Technologist** to join our team in the Vancouver/Lower Mainland region of British Columbia. Under the guidance and mentorship of our more senior staff, you will be expected to provide support on projects with clearly defined objectives and tasks.

Qualifications

- Engineering, Geological Engineering, Geology, or Earth Sciences degree or diploma
- Current or eligible for EGBC, BCIA, or ECO Canada designation (EIT, GIT, AAg, TAAg or EPt)
- Field experience or demonstrable interest in Contaminated Sites Assessment, and Environmental Construction Monitoring
- Knowledge of the BC provincial and Canadian federal acts, regulations, guidance, and protocols
- Valid Class 5 driving licence with access to a vehicle

Assets:

- Curiosity to learn and gain technical knowledge from your peers and mentors and confident with sharing information and expertise
- Strong scientific report writing skills
- Willing to travel and when necessary work overtime to meet project schedules
- Excellent communication and collaboration skills
- Strong time management skills

Salary Range

The expected base salary range for the qualifications listed above is $60,000-$70,000 per year. This salary range may be adjusted for additional qualifications, experience and desirable assets.

Why Core6?

- **Impactful Work:** Contribute to meaningful projects that directly impact British Columbia's environment.
- **Collaborative Culture:** Join a team that values collaboration and professional growth.
- Mentorship: Learn from and work alongside some of the industry's most experienced professionals.
- **Competitive Compensation:** Receive a comprehensive package including competitive salary with overtime pay or banked time, vacation, medical/dental benefits, RRSP-matching, cell phone allowance, and flexible work hours.

- **Professional Development:** Access ongoing training and development opportunities.
- **Valued Input:** Your voice matters – regardless of your position in the company, you have the ability to shape the future. We are continually evolving and growing the company, incorporating ideas, suggestions and innovative approaches from our employees, partners and clients.

Core6's defines diversity as including culture, race, religion, age, sexual orientation, gender, disability, socioeconomic background and lived experiences. We strive to have our staff reflect the diversity of the communities in which we work. Core6 Environmental is an equal opportunity employer and encourages all qualified candidates to submit resumés and letters of introduction for consideration.

Resumes and Letters of Introduction may be forwarded to hr@core6.ca. Please include the opportunity title (HR-057) in your email subject line.
